Meal arrangements

You must inform the school office if your child is changing from school dinners to packed lunch or vice versa. Unfortunately you may be charged if the meals have been ordered and not taken because we have not been informed of the change. We do not run a cafeteria style system in school which means the children cannot change from day to day i.e. meals one day, dinners the next as the food has to be pre-ordered in advance. Thank you for your assistance.
