Welcome to our school...

Thank you for considering St Paul's Church of England Primary as a potential school for your child.

We are a small primary school situated in a quiet residential area of Longton, Stoke on Trent. We invite you to come along and see for yourselves the warm & friendly atmosphere on which we pride ourselves and we hope that you and your child will be very happy here for many years to come.

## Our Commitment to Every Child ...

We provide an excellent foundation for your child's learning journey and aim to develop each child at their own pace, ensuring that they develop a mutual respect for themselves as individuals and support their fellow class mates regardless of cultural, religious or academic differences.

The central aim to our provision is that all children in our care will develop an understanding of self and others and to care about the world in which we live. We are a fully inclusive school and welcome applications from children with special educational needs and disabilities. Our admissions policy is detailed within this prospectus and should be read as an integral part of this brochure.

Intelligence  
plus character  
is the goal  
of true  
education

I like it because the teachers help you if you are stuck

St Paul's C of E Primary School is great for education I think it is the best school in Stoke-on-Trent. I like how the school has decided to be healthy

I like playing on the slide

I think St. Paul's C of E Primary School is a very good school. I like this school because I learn lots of things

I like it because the theatre comes alot!

BRILLIANT AND GREAT!

## A welcoming place of learning where everyone feels valued

We at St Paul's Primary (formerly known as Edensor Primary) changed our name in 2007 to further enhance our strong relationship with St Paul's Church.

We encourage learning by providing a broad and balanced curriculum, which ensures that all of our children, according to their needs, develop to their maximum potential. We regularly organise trips which take the children outside of the classroom environment to enhance their learning and enjoyment. We run many additional activities to add to the children's learning experiences. These are regularly rotated and include activities such as football, netball, drama, arts and crafts, Christian Club, First Aid training and athletics to name just a few. Our aim is to forge and nurture links between the school, the home, the church, the parish and the wider community.

We would also suggest that you visit our website: [www.stpauls.stoke.sch.uk](http://www.stpauls.stoke.sch.uk) to see more information on St Paul's Primary
